With warm regard

**Mr. Ali Mahlouji**  
**CEO of Taban Stone**

## About us

The Taban Stone, is an exporter of natural stone base on luxury material, we forced on Russia market to develop our business and market.

## Plan and act

Hope to inform our audience in Poland we are on planning to visit Poland stone exhibition in end of Oct,2019 please let us have your information to planning know you and your ability in behind of this exhibition.

## Products

With proud introduce White Onyx, this natural stone is one of famous and popular stone around the world to use in luxury project, return to special factor of this kind material, you can use this with backlight on countertop, elevator floor and wall, because of attractively of this kind of natural stone people most use tis in entry hall and salon. We ready to supply that from Tile to Slab on your request.

## Did you know?

Onyx stone because of basic material can't usable in very cool outdoor area, if you use this in outdoor maybe that broken in could season so best area for use this is indoor part of building is most usable by the people such as lobby, elevator, receptions & bars countertop and etc.
